

Veterinarians are often wary of information people find on the Internet & they have good reason to be wary. However, the information we have collected comes exclusively from reputable, scientific sources.

The following is a short listing of the veterinarians, specialists, & researchers whose work we follow:

Mark E. Peterson, DVM, DACVIM, Animal Endocrine Clinic, New York, N.Y.

Catharine Scott-Moncrieff, MA, VetMB, MS, MRCVS, DACVIM, DECVIM, DSAM, Professor & Department Head, Department of Veterinary Clinical Sciences, Purdue University College of Veterinary Medicine, West Lafayette, IN

Ellen Behrend, VMD, MS, PhD, DACVIM, Professor, Department of Clinical Sciences, College of Veterinary Medicine, Auburn University, Auburn, AL

Deborah Greco, DVM, DACVIM, MS, PhD, The Animal Medical Center, New York, N.Y.

Peter Kintzer, DVM, DACVIM, Boston Road Animal Hospital, Springfield, Mass.

David Bruyette, DVM, DACVIM, VCA West Los Angeles Animal Hospital, Los Angeles, CA

Anita M. Oberbauer, Ph.D., Professor and Department Chair, Department of Animal Science, University of California, Davis

Richard W. Nelson, BS, DVM, Professor, Medicine & Epidemiology, University of California, Davis

Edward C. Feldman, BS, BVSc, DVM, Professor, Medicine & Epidemiology, University of California, Davis

Claudia Reusch, Diplomat ECVIM-CA, University of Zurich (Universitaet Zuerich), Zuerich, Switzerland

Julia A. Bates, DVM, DACVIM (SAIM), Madison Veterinary Specialists, Madison, WI

Jennifer E. Waldrop, DVM, DACVECC, Animal Critical Care and Emergency Services, Seattle, WA

Jerold S Bell, DVM, Clinical Associate Professor of Genetics, Tufts Cummings School of Veterinary Medicine, N. Grafton, MA

There are many, many more Addison's researchers. We try to keep up on all research related to canine Addison's Disease.

Canine Addison's Resources & Education (CARE) is a 501 (c)(3) non-profit organization whose mission is to provide resources & education to improve the lives of dogs with Addison's Disease & empower owners to advocate on their behalf.

We are not veterinarians. This content is provided solely for informational purposes & for discussion with your pet's veterinarian. All treatment decisions should be made in respectful partnership with a qualified & trusted veterinarian.
